1 HYDRO OPERATOR #1: Rock Creek. [REDACTED].
2 NDCC OPERATOR #1: Hey, it's [REDACTED] in
3 Rocklin.

4 HYDRO OPERATOR #1: Yes.

5 NDCC OPERATOR #1: Hey, so I was
6 looking. I was going to have the troubleman go
7 status those fuses there at Cresta Dam. And
8 we've got a tag here saying that the fuse is 805.
9 That T-Man and crew do not have access to 805.

10 HYDRO OPERATOR #1: Okay. So they need
11 to get access into Cresta Dam?

12 NDCC OPERATOR #1: Yeah, I guess so.
13 I'm not sure what that is referencing.

14 HYDRO OPERATOR #1: Okay.

15 NDCC OPERATOR #1: But do you know
16 where those fuses are to where if I send a
17 troubleman out there, somebody'll be able to let
18 him in there or they'll be able to get to them?

19 HYDRO OPERATOR #1: Yeah. If we have
20 like a timeframe, I could have someone down
21 there.

22 NDCC OPERATOR #1: Okay. Gotcha. I'll
23 have to call dispatch and get a tag created and
24 then I'll get back to you once somebody starts
25 rolling.

1 HYDRO OPERATOR #1: (indiscernible)
2 NDCC OPERATOR #1: Okay. Thanks.
3 HYDRO OPERATOR #1: Bye.
4 NDCC OPERATOR #1: Bye.
